Manuscript title:

.....  
.....  
.....

Category: original contributions / review papers / case study reports / letters to the Editor

Author/Authors:

.....  
.....  
.....

Contact details of the first or corresponding author (first and second name, affiliation, e-mail, telephone number)

.....  
.....  
.....

I present my manuscript to the Editorial Office of “Medycyna Środowiskowa - Environmental Medicine” for publication of my manuscript. From the time my manuscript is sent off I transfer all author’s copyright to the journal’s publisher for an unlimited period of time in which the manuscript can be used and disposed in Poland and abroad as a whole or in part. This also refers to electronic products being separate products, collected products such as editorial offices and data bases and also separate fields of exploitation defined in Article 50 of Copyright Act.

I agree that the manuscript can be published and made available on the license Creative Commons Attribution 3.0 Poland. The content of the license is available under <http://creativecommons.pl>. The license permits to copy, change, distribute, display of the manuscript protected by copyright.

I state that aforementioned manuscript is original, written by stated author(s) and does not infringe the rights of others, has not been published before in any other form or sent for printing to any other editorial office, does not contain unlawful statements and all permissions concerning citing from other sources have been obtained.

I declare that author(s) taking part in the research had no connection with third parties who might influence the objective interpretation of the results (lack of conflict of interests). I declare there are no connections and financial dependencies towards any organization or person having direct financial input into the research subject or examined products of the manuscript. I state that the remaining co-authors, if any, have been acquainted with the content of the manuscript.
